Used Fixture Warranty

TLS, Inc. used fixture warranty covers parts and labor within 60 days from date of purchase. Warranty excludes all lamps. This warranty does not apply to damage resulting from misuse, accidents, shipping or any modifications made to equipment. Any units being returned must obtain a return authorization number (RA) before shipping. Warranty does not cover cost of shipping equipment to or from TLS, Inc. Equipment should be returned in its original packaging or case. Any damage incurred in shipment not in original packaging is owner's responsibility.

Equipment is held with deposit only. First come, first serve basis. Quantity based on availability. Current updates can be found at www.tlsinc.com. Applicable taxes are NOT included in above prices.
